

Non woven Abrasives

Non woven Abrasives

CUMITEX HAND PADS

- Made from premium quality Nylon web, coated with synthetic abrasives and water proof resin bond
- Non loading, non clogging. Can be used with water and polishing compounds
- Ideal for cleaning, rust removal, generating decorative finishes on brass, Carbon steel, Aluminum, SS and wood

Product availability

Product Type	Brand	Available size
AIO Medium – Brown Aggressive cutting action, Generates coarser finish patterns Ideal product for sanitary ware industry	Cumitex AIO Medium	150 mm x 230 mm
	Cumitex AIO Medium Eco	150 mm x 230 mm
AIO Veryfine – Maroon General purpose cleaning, rust and oxide removal Generates decorative finishes on metals	Cumitex AIO Veryfine	150 mm x 230 mm
	Cumitex Super	150 mm x 230 mm
	Cumitex Gold	150 mm x 230 mm
SIC Ultrafine – Grey Generates glossy finishes Ideal for paint shops, furniture applications	Cumitex SIC Ultrafine	150 mm x 230 mm
AIO Veryfine – Green General purpose cleaning, rust removal, domestic cleaning applications	Cumitex Green Hand Pads	150 mm x 230 mm
		100 mm x 75 mm
		75 mm x 75 mm

CUMITEX ROLLS

- Made from premium quality Nylon web, coated with synthetic abrasives and water proof resin bond
- Non loading, non clogging. Can be used with water and polishing compounds
- Ideal for cleaning, rust removal, generating decorative finishes on brass, Carbon steel, Aluminum, SS and wood

Product availability

Product Type	Brand	Available size
AIO Medium – Brown Aggressive cutting action, Generates coarser finish patterns Ideal product for sanitary ware industry	Cumitex AIO Medium	150 mm x 20 meter
	Cumitex AIO Medium Eco	150 mm x 20 meter
AIO Veryfine – Maroon General purpose cleaning, rust and oxide removal Generates decorative finishes on metals	Cumitex AIO Veryfine	150 mm x 20 meter
	Cumitex Gold	150 mm x 20 meter
SIC Ultrafine – Grey Generates glossy finishes Ideal for paint shops, furniture applications	Cumitex SIC Ultrafine	150 mm x 20 meter
AIO Veryfine – Green General purpose cleaning, rust removal, domestic cleaning applications	Cumitex Green Rolls	1000 mm x 50 meter
		1000 mm x 50 meter

CUMI FLEX UNITISED WHEELS

- Made by compressing layers of non woven abrasive materials
- Ideal product for Blend-N-Polish applications on brass, copper, Carbon steel
- Removes surface defects and imparts decorative finishes in single operation
- Works well for light deburring applications

Product availability

Densities:	Sizes: (dia x thickness)
1 – SVF	100 x 25 mm
3 – SVF	100 x 50 mm
5 – SVF	150 x 25 mm
8 – SVF	150 x 50 mm
	200 x 25 mm
	200 x 50 mm

* Other sizes and densities available on request

CUMITEX POLISHING WHEELS

- Made by compressing layers of non woven abrasive materials
- Suitable for polishing brass, copper, Aluminium, Carbon steel and SS
- Generates unique satin decorative finish on metals
- Right choice for kitchen, cutlery and surgical equipments polishing

Product availability

Densities:	Sizes: (dia x thickness)
1 – SVF	100 x 25 mm
3 – SVF	100 x 50 mm
5 – SVF	150 x 25 mm
8 – SVF	150 x 50 mm
	200 x 25 mm
	200 x 50 mm

* Other sizes and densities available on request

CUMITEX CONVOLUTE WHEELS

- Made by winding nonwoven abrasive layers over a central core
- Aggressive and consistent cutting action compared to Unitised wheels
- Ideal product for heavy and light deburring of auto components and other machined parts
- Suitable for blending and polishing hard metals and alloys like Titanium, SS and polishing of dry cell battery bottoms

Product availability

Densities:		Sizes: (dia x thickness x inner dia)
6 – SF	6 – AM	150 x 25 x 25 mm
7 – SF	7 – AM	150 x 50 x 25 mm
8 – SF	8 – AM	200 x 13 x 75 mm
9 – SF	9 – AM	200 x 25 x 75 mm
		200 x 50 x 75 mm
		200 x 75 x 75 mm

* Other sizes available on request

CUMITEX UNITISED DISCS

- Unitised wheels fitted with back-up pads suitable for use in angle grinders
- Perfect for blending scratch lines created by coated abrasive flap discs and fiber discs
- Ideal product for Blend-N-Polish applications on Brass, Copper and Carbon steel

Product availability

Densities:	Sizes: (dia x thickness)
1 – SVF	100 x 13 x 16 mm bore
3 – SVF	
5 – SVF	
8 – SVF	

* Other sizes available on request

CUMITEX FLAP WHEELS

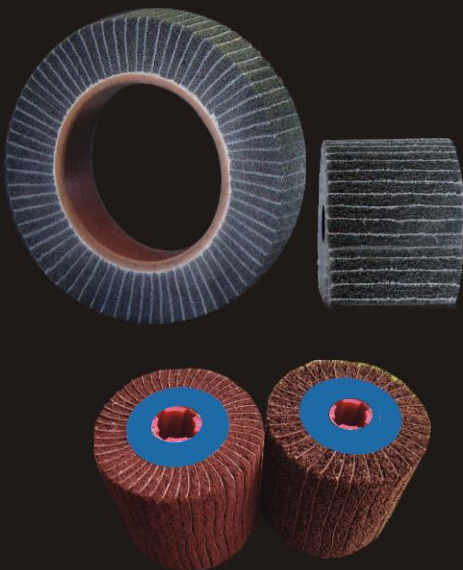

- Made by radially bonding nonwoven abrasive layers over a central core
- Suitable for light finishing, polishing, imparting brush, smoky and satin finish on metals

Product availability

Grits:	Sizes: (dia x thickness x inner dia)
AIO Medium	150 x 25 x 50 mm
AIO Veryfine	150 x 50 x 50 mm
SiC Ultrafine	200 x 25 x 75 mm
	200 x 50 x 75 mm

* Other sizes available on request

CUMITEX COMBI WHEELS

- Made by alternatively bonding nonwoven and coated abrasives layers radially over a central core
- Creates unique silky satin finish
- Ideal for kitchen equipments and interior decorative applications

Product availability

Grits:	Sizes: (dia x thickness x inner dia)
AIO Veryfine + grit 120 AIO coated abrasives	150 x 25 x 50 mm
	150 x 50 x 50 mm
	100 x 100 x 19mm (with key way bush)
	200 x 25 x 75 mm
	200 x 50 x 75 mm

* Other sizes available on request

CUMITEX SPINDLE MOPS

- Removes handling marks and surface imperfections
- Mounted over a 6mm shaft to be conveniently used on die grinders
- Ideal for kitchen equipments, decorative finishes and light deburring applications

Product availability

Grits:	Sizes: (dia x thickness x Spindle)
Combi mops	
1. AIO Veryfine + grit 120 AIO coated	50 x 25 x 6 mm
2. AIO Medium + grit 60 coated	50 x 50 x 6 mm
Nonwoven mops	
1. AIO Veryfine	75 x 50 x 6 mm
2. AIO Medium	100 x 50 x 6 mm

* Other sizes available on request

CUMITEX SCM DISCS

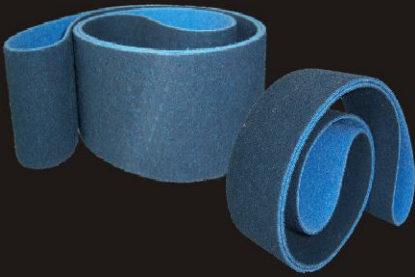

- Made out of a strong non woven structure to produce aggressive and consistent cutting action
- Waterproof, solvent resistant and can be used with lubricants
- Ideal for weld blending, light deburring and removal of surface imperfections
- Color coded for easy grit identification
- Available as velcro discs as well as fitted with threaded buttons for quick change operations

Product availability

Product Type	Brand	Available size
Velcro Type Discs	Cumitex Velcro Nonwoven Discs – AIO Coarse (color: Brown)	180 mm dia 150 mm dia 125 mm dia
	Cumitex Velcro Nonwoven Discs – AIO Medium (color: Maroon)	180 mm dia 150 mm dia 125 mm dia
	Cumitex Velcro Nonwoven Discs – AIO Veryfine (color: Blue)	180 mm dia 150 mm dia 125 mm dia
Quick Change Discs (Fitted With Roloc Button)	Cumitex Quick Change Nonwoven Discs – AIO Coarse (color: Brown)	50 mm dia 75 mm dia
	Cumitex Quick Change Nonwoven Discs – AIO Medium (color: Maroon)	50 mm dia 75 mm dia
	Cumitex Quick Change Nonwoven Discs – AIO Veryfine (color: Blue)	50 mm dia 75 mm dia

CUMITEX SCM BELTS

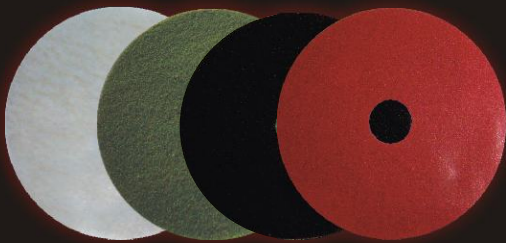

- Made out of a strong non woven structure to produce aggressive and consistent cutting action
- Waterproof, solvent resistant and can be used with lubricants
- Ideal for weld blending, light deburring and removal of surface imperfections.

Product availability

Product Type	Brand	Available sizes
ALO Coarse	Cumitex Non Woven Belt – ALO Coarse (color: Brown)	6 mm x 520 mm 19 mm x 520 mm
ALO Medium	Cumitex Non Woven Belt – ALO Medium (color: Maroon)	13 mm x 610 mm 50 mm x 2000 mm
ALO Veryfine	Cumitex Non Woven Belt – ALO Veryfine (color: Blue)	100 mm x 2500 mm 150 mm x 2500 mm 100 mm x 3000 mm

CUMITEX FLOOR PADS

- Made from High strength Non woven abrasive web; for cleaning and maintenance of floors
- Range of products available for cleaning of hard dirty floors to smooth marble surfaces
- Runs at 175 to 350 rpm
- Can be used along with alkaline cleaner solutions
- Color coded for easy identification

Product availability

Product Type	Brands	Available sizes
Black stripping pads Heavy duty scrubbing. Suitable for rough industrial floors	Cumitex Floor Pad – Black	
Green scrubbing pads Wet and Heavy duty scrubbing pads. Suitable for concrete and irregular floors	Cumitex Floor Pad – Green	17 " dia 19 " dia
Red Buffing pads Dry buffing and spray buffing on all types of floors. Light duty scrubbing on marbles	Cumitex Floor Pad – Red	20 " dia
White Polishing pads For dry polishing and polishing with mist. Imparts high gloss on marble and granites	Cumitex Floor Pad – White
