### Successful REACH registration of Silicon Carbide and Aluminium Oxide

#### **Announcement for General Circulation to all interested parties**

We are pleased to announce that we have successfully completed the full REACH registration of the substances Silicon Carbide and Aluminium Oxide for tonnage band of greater than 1000 Tons per year

The following official registration details have been assigned to our company by the European Chemicals Agency (ECHA)

Substance	EC – Number	CAS – Number	Registration Number
Silicon Carbide	206-991-8	409-21-2	01-2119402892-42-0010
Aluminium Oxide	215-691-6	1344-28-1	01-2119529248-35-0107

Thus, our Silicon Carbide and Aluminium Oxide products are fully compliant with the requirements under REACH. The timely completion of the registration guarantees you reliable and continuous business with our company.

Our products are used by customers of various industries and for a variety of applications. With our registration dossier we support the broadest use spectrum possible.

As Silicon Carbide and Aluminium Oxide are not classified as hazardous, no restrictions for applications arise under REACH. Hence, we affirm that your uses of our products are covered by our REACH registration.

We furthermore would like to assure you that we have intention to also register all other substances, which you purchase / intend to purchase from us, in timely manner and are involved in the respective registration activities.

We are at your disposal for any questions you might have regarding the REACH compliance of our products.

We appreciate your valued business relation.

Please direct any enquiries on this matter to **Mr. V Subbaraman, AGM – Marketing** at our address above.

Assuring you of our attention always,

Yours sincerely

N Ananthasheshan  
Sr. Vice President (EMD)
